

Cullen Introduction Cornell Notes

Key Quotations	Notes
<p>“The term seems like the most lofty as well as the most immediate component of an American identity, a birthright far more meaningful and compelling than terms like “democracy,” “Constitution,” or even “the United States.”</p>	<hr/> <hr/> <hr/> <hr/> <hr/> <hr/> <hr/> <hr/> <hr/> <hr/>
<p>What does using the term “birthright” to refer to this term suggest about how Americans feel about the American Dream?</p>	<hr/> <hr/> <hr/> <hr/> <hr/> <hr/> <hr/> <hr/> <hr/> <hr/>
<p>“In the twenty-first century, the American Dream remains a major element of our national identity, and yet national identity is itself marked by a sense of uncertainty that may well be greater than ever Before.”</p>	<hr/> <hr/> <hr/> <hr/> <hr/> <hr/> <hr/> <hr/> <hr/> <hr/>
<p>What is problematic about the American Dream being part of our national identity?</p>	<hr/> <hr/>
<p>What are Cullen’s claims about the American Dream?</p>

Cornell Notes

Key Quotations	Notes
<p>“This book explores a few varieties of the American Dream; their origins, their dynamics, their ongoing relevance. It does so by describing a series of specific American dreams in a loosely chronological, overlapping order.”</p> <p>How does this quotation confirm or deny your previous answer? What, specifically, will the organization of this book look like?</p>	<hr/> <hr/> <hr/> <hr/> <hr/> <hr/> <hr/> <hr/> <hr/> <hr/> <hr/> <hr/> <hr/> <hr/> <hr/> <hr/> <hr/> <hr/> <hr/> <hr/> <hr/> <hr/> <hr/> <hr/> <hr/>
